Manor · medium · 6 suspects, one body · SOLUTION

THE ANSWER

The murderer is Dora, the professor, in the library at row 2, column 7.

× marks the victim. Open rings are placements, hatching is furniture, stippled squares are furniture a person may be on. Against a wall inside a room, a double line is a window and a short heavy bar is a painting or a mirror.

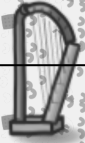

THE SCENE

bookshelf · carpet · chest · floor lamp · grandfather clock · harp · piano · potted plant · sofa · statue · stove · window

Theatre · hard · 7 suspects, one body · whoever is alone with Zeno did it

Place all 8 — one per square, no shared row or column, none on furniture except an armchair, a carpet or a sofa.

ONE OF THEM IS LYING, and you are not told which — all they say is false.

THE ANSWER

The murderer is Beatrix, the heiress, in the bar at row 7, column 4. Every statement Felix made is false.

X marks the victim. Open rings are placements, hatching is furniture, stippled squares are furniture a person may be on. Against a wall inside a room, a double line is a window and a short heavy bar is a painting or a mirror.

THE SCENE

armchair · carpet · chest · clock · crate · desk · floor lamp · harp · painting · piano · sofa · window
